

Agenda:

Wreck-it Ralph

Figurative language - sample passages

The Hero's Journey - prep for the timed writing!

Focus: Synthesizing literature, movie, and monomyth for a thoughtful essay.

Homework: complete the Hero's Journey chart for timed writing next class. You will turn it in as part of your grade!

“The Odyssey is not only the story of a national hero but also the universal story of every human being. Each of us, like Odysseus, spends many years trying to reach his own personal land of joy and peace. Like him, we must achieve that land by testing ourselves against all the temptations and obstacles in life. Small wonder that our journey through life is often called our ‘odyssey.’”
