## Symbols, motifs, tone

Work in groups to identify symbols, motifs, and the tone of this piece of literature. You **MUST** have quotes to back up your points.

Each person will write, although you may write the same things at times....I want every person to have a copy!

You may type, if you prefer! Computers are available!

### Vocabulary words:

Identify ten unfamiliar words in each of your groups; I will compile your vocab list from this selection.

You will have a quiz on these words next week - spelling and meaning in a sentence; it would be wise to practice using the words daily once I have posted them!
