## College Essay Feedback:

Due FRIDAY 11/21

Too many of you did not give me your essay in Google Docs - this means that although I read your essay, I was not able to give you written feedback. Please print your essay and turn it in to me today; you can pick up your feedback from me starting Tuesday at the end of the day in room 400 or Wednesday morning.

Many of you failed to listen well enough to the task which was to write the essay following the advise of the College Essay Guy! You simply wrote to the prompt of your college of choice (or common app). You will re-write this essay, even if it is superfluous in your eyes! You will follow Ethan's advice!

## Invisible Man Group Discussion Questions

In your groups, discuss the following questions, and then write your own individual response:

1. Find 4 examples of irony and explain them
2. To whom is IM invisible? In what ways is invisibility used symbolically?
3. What symbols have you found used in the novel so far (find at least 5) and explain them

## Vocabulary:

Vocab list will be on quizlet and link will be sent out in Remind
