

Agenda:

Focus - The big picture:
connecting ideas across the
stories

DGP

Journal

Short Story review guide/group work

Homework: Bring in something for our party next class!
Finish your novel!

Journal

Write about your three favorite things to wear.

Symbolism

What stories have we read this far?

The Scarlet Ibis

Pride is a double-edged sword
Be grateful for what you have

Woodle Brother Aunt Nicey
foreshadowing

The Necklace

To Build a Fire

TMDG

The Open Window

irony

symbolism

foreshadowing

define, then give example

Symbolism - When an object in a story represents itself, but also in the context comes to mean an idea with greater significance. In *The Scarlet Ibis*, the bleeding tree represents Brother's sense of guilt towards Doodle, the tree that failed to support him, the tree that bleeds because it Doodle's death is an open wound - a guilt - that will not heal.

What are you bringing Friday?

Block 1
