"I don't know where there is no other mouse. I remember a lady used to give 'em to me—ever' one she got. But that lady ain't here." 1

"The hell with the rabbits. An' you ain't to be trusted with no live mice. Your Aunt Clara give you a rubber mouse and you wouldn't have nothing to do with it." 2

"If you don' want me I can go off in the hills an' find a cave. I can go away any time." 3

4 "All right. But don't try to put nothing over, 'cause you can't get away with nothing. I seen wise guys before. Go on out with the grain teams after dinner. They're pickin' up barley at the threshing machine. Go out with Slim's team."

"Yeah. I remember. Oh, sure I remember! I go there an' hide in the brush." 5

I'm scared I'm gonna tangle with that bastard myself. I hate his guts. Jesus Christ! Come on. They won't be a damn thing left to eat." 6
