The 20% Project*

1. For the rest of the year, 20% of your time in my class will be spent working on something you want to work on.
2. It has to be some type of learning, and you have to document it (blogging, etc).
3. You'll present your accomplishments to the class twice (and will not be graded on it). You **WILL** be graded on your progress and your effort.
4. That's it. Have fun. Find your passion. Explore it. Enjoy learning what you want.
