"So I said, `What are the attributes of an ideal quarry?' And the answer was, of course, `It must have courage, cunning, and, above all, it must be able to reason."' General Zaroff, *The Most Dangerous Game*.

How does Rainsford show he makes the ideal quarry, according to the above quote? Find examples of these three attributes in your annotations which support Zaroff's assessment of an "ideal" quarry. Make sure to write down the exact quote and the page number/location of the quote.
